THE STONHARD DIFFERENCE

Stonhard is the world-leading manufacturer and installer of high performance polymer floor and lining systems designed for tough commercial and industrial environments. We deliver long lasting durable products to satisfy the most demanding design specifications and work with you from start to finish. You are protected with a single source warranty on both product and workmanship. Known around the world for excellence, the Stonhard name is synonymous with quality, performance and unmatched service.

Stonproof CT5 crack treatment to prevent dynamic movement of cracks. Stonset TG5 used to create falls into perimeter gullies.

Stonchem 500 Series Topcoat spread out with notched trowel and then back rolled with roller to remove lines.

Stonchem 500 Series was the client's choice for a seamless, long-lasting, complete Chemical Resistant Lining System.
